

Save money at home with our Smart Energy Programs

Receive instant rebates at checkout when you shop our **NYSEG Smart Solutions Online Marketplace**. We offer special discounted pricing and instant rebates on energy-efficient lighting, smart thermostats, water-saving and weatherization solutions, power strips, air filters, smart home devices, electric vehicle chargers, and more.

Begin your online shopping experience now by visiting nysegsmartsolutions.com

Get paid to use less energy and enhance your savings through our **Smart Savings Rewards Thermostat Program**. By making small adjustments to your thermostat settings during times of peak demand, you're helping to save money, energy, and the environment too. Once enrolled, participants receive a MasterCard e-gift card and additional bill credits at the end of the adjustment season.

Enroll today at SmartSavingsRewards.com

With our **Residential Rebate Program**, we offer rebates to our residential, natural gas, and electricity customers who install qualifying high efficiency equipment including natural gas furnaces, boilers, natural gas dryers, Wi-Fi thermostats, pool pumps, and pool heaters.
